

# DISCOVERY ZONE FOR KIDS

## QUALITY PRESCHOOL EDUCATION FOR YOUR CHILD...

Preschool is designed for the pre-Kindergarten student. Our program provides opportunities for young children to select, explore, and practice a variety of skills in a secure, creative, and stimulating environment. Teachers plan developmentally appropriate activities that promote social/emotional, physical, and cognitive growth. Our curriculum includes language, art, music, math, science, and movement activities implemented into monthly theme-based units. Children gain self-esteem and independence as they are treated with respect and encouraged individually.

Our preschool is open to children 3-5 years of age. The 3-4 year old class (younger 4 year olds) is in the morning from 9:00am-12:00pm with the option of attending class MWF, TuTh, or M-F. The 4-5 year

old class (older 4 year olds/pre-k students) can either choose a class in the morning from 9:00am-12:00pm MWF or a class in the afternoon from 1:00-4:00pm with the option of attending class MWF, TuTh, or M-F.

## REGISTRATION INFORMATION:

Call Pullman Parks and Recreation for registration information. Ages listed will be strictly adhered to. **Children must be potty trained by the start of class. Children must be able to separate from parents.** You may obtain a Preschool Parent Manual/ Brochure from the Pullman Parks and Recreation Department by calling 338-3227.

## CREATIVE MOVEMENT

This class is designed to explore movement and music. The class will include the use of props and games to develop and strengthen coordination and body awareness. **Children may wear tennis shoes or dance shoes during class.**

**Ages: 3-4 yrs old**

Jan 24-Apr 25 ..... Tu ..... 10:45-11:15am ..... \$51

◆ Private or small group lessons may be arranged through the instructor. Session times will depend on the availability of the studio and instructor's schedule.

## NOTE TO OUR PARTICIPANTS:

Due to limited amount of space in most of our teaching areas, siblings are not allowed to participate in classes unless they are enrolled. This will allow our instructors to continue to provide the small student-to-teacher ratios, which make our classes great.
